We will be having BBQ fundraiser and fly-in at our facility at the Shelby airport: KEHO.

Join us for delicious barbeque and a visit to Compass Aviation!
All proceeds go to supporting mission aviation.

Come and meet our staff and hear stories of how Compass Aviation is supporting missions and humanitarian efforts all around the world!

See our training aircraft, which has recently been fully refurbished as well as other aircraft as well as have the opportunity to learn more about our unique ministry located in your backyard!

Compass Aviation is a registered 501(c)(3) Organization. All donations are tax-deductible.
